

# The Morning Creek Elementary Foundation

is a non-profit fundraising organization with the goal of providing our children with the most competitive education possible. Our funding priorities are providing technology in the classroom, academic support, and valuable student support services. These programs help ensure our children's academic success. All proceeds raised by our Foundation are invested in our school and only our children.

Over the past few years the Foundation has funded:

- 65 Chromebooks for student learning
- Promethean Smart Boards for classrooms
- iPads for classroom use to integrate with the Promethean Boards.
- Dedicated Physical Education Instructor
- Compass Learning licenses for all 1st-5th Grade students in both Math and Language Arts
- Funding for our Impact Teachers
- A 30-unit Mobile Laptop Cart
- Document cameras for every classroom
- Release time for our teachers to meet one on one and in small groups with their students for goal setting and assessment.

## Our Goal is for our Super Pledge to raise \$20,000!
